## Why Trane Boot Camp?

Since 1993 Boot Camp has helped thousands of Trane dealers consistently sell big-benefit high-margin Trane comfort in cold summers, warm winters, good economies and bad. Attend Trane Boot Camp and learn how.

## Why No Pressure Selling® ?

"94% of all failure is caused by the wrong process, not the wrong people." Dr. W. Edwards Deming

If you're selling bottom-tier goods to entry-level buyers, your sales process is simple; always have the lowest price. However, if you want to consistently sell big-benefit high-margin Trane comfort systems to delighted buyers then follow the No Pressure Selling® process you will learn in-depth at Trane Boot Camp.

## How Will Boot Camp Benefit You?

True learning takes place by doing. You can't master the art of selling comfort by reading a book. You must actively practice new skills to make them habits. The biggest "aha" moments happen during the one-on-one skills practice. You will have several opportunities to practice new skills then receive beneficial feedback from your instructor and peers. The opportunity to practice and enhance sales skills in a friendly environment is one reason so many grads return to Boot Camp year after year.

## Who Should Attend?

Owners, managers, comfort consultants, technicians and territory managers
